Welcome

ARMY STRONG.™

Fort Meade Public Affairs Office

ISSUE	Response	Status
Lights out in the Heritage Park Community and around Burba Lake. (DPW/Picerne/IAP)	Should a central place be established to report outages and other maintenance issues to de-conflict the DPW/Picerne question?	Open
IC requested review of installation policy addressing the issue of dogs in playgrounds. A community member expressed concern about health and safety hazards. (RCI)	FGGMR 40-22 prohibits pets in playgrounds. Rule is enforced by Animal Control. Signs will be posted in playgrounds. Members can call 7-6622 when they see a violation of the policy.	Closed
Provide child care during the Blood Drive. (DFMWR, DHR)	Not available now. DFMWR working to see if funding can be made available to allow free child care at future blood drives.	Open
Sell old outdoor recreation equipment at the end of the season. (DFMWR)	Outdoor recreation does sell equipment as it is replaced or reaches the end of its lifecycle. This is not necessarily seasonal, but as needed. They work with DFMWR marketing to advertise these sales. We have asked that future sales be posted on FGGM/MWR Facebook pages and in Soundoff!	Closed

ARMY STRONG.

Fort Meade Public Affairs Office

Community Issue	Response	Status
Visitor use of MWR facility (DFMWR)	Non-dependent children or non-eligible visitors may use the gyms as guests accompanied by sponsor or eligible patron.	Closed
How long can an RV, camper or boat be allowed to park in the lemon lot pending sale? (This is a free parking method for some and the oversized vehicles hinder lane visibility.) (DFMWR/DES)	<p>As long as the \$20 monthly fee is paid, the vehicle can remain. FGGM parking policy applies: vehicles left for over 72 hrs, can be towed. In lemon lot, if the fee is not paid, vehicles can be towed. DFMWR will review current status of all vehicles in lemon lot.</p> <p>Updates: DFMWR is drafting a policy to address the length of time vehicles can remain and other guidelines in the policy. This update will be reviewed by SJA. No vehicles have been towed.</p>	Open
The two lane entrance and exit into the PX are in need of repainted lanes and turn arrows. (DPW)	DPW will repaint the lane lines and turn arrows in the spring when weather allows. Painting has not yet been scheduled.	Open
